Student Behavior Statement

Students enrolled in Holy Family Religious Education program are encouraged and expected to behave in a respectful, corrigible, and duly manner.

Discipline Statement

It is difficult to make statements about discipline that do not sound like those which would be more characteristic of a penal institution, however discipline must be maintained to provide a positive atmosphere, and attitude for all students.

Discipline Action

1st Offense: Catechist will consult with student. Note: First offense may not be limited to Catechist consulting with student due to severity of student's behavior.

2nd Offense: Student will be sent to the Religious Education office, and consulted by the Director of Religious Education. A letter will be sent to the parent/guardian of student's offense. Pastor will be notified.

3rd Offense: Student parent/guardian will be notified at that time and probable cause of student being dismissed from the Religious Education program can be issued by DRE in consultation with the Pastor.
